| scheduled for that day. | |
| | |

The Interview with began with a few tears by stated she had disclosed some person things that she has been involved with to her mother Linda. stated she was very upset talking about this situation.

was a realtor and they met while he was the baseball coach at Riverside High School in 2008. She told me she started talking to GODLEWSKI about the suicide of her boyfriend Joe. Stated she was having a hard time dealing with the loss and he helped her cope with the situation.

stated the relationship developed into a sexual one during 2008. She stated they were involved in oral and vagina sexual intercourse. She stated it started happening in his vehicle.

On June 15, 2010 this case was handed over to the District Attorney's Office from taylor Police due to jurisdictional issues.

Between June 9 and 11, 2010 investigators attempted to contact Philip GODLEWSKI at his place of employment. Several messages were left for him asking him to contact investigators as soon as possible. On June 11, 2010 GODLEWSKI called Det. Mancuso and informed her that he was represented by an attorney from Harrisburg and GODLEWSKI stated he was advised not to talk to me. I contacted the Harrisburg attorney and asked him to contact me after he has had time to talk with GODLEWSKI as of date I have not heard back from the Harrisburg attorney.

On July 5, 2010 Det. Mancuso left a business card at 430 Cayuga Street in Scranton for Dorl Gallagher. There was no response on that date.

On July 6, 2010 Det. Mancuso once again left a business card at the residence of Dorl Gallagher requesting her to call me at her convenience. This detective received a phone message from GODLEWSKI asking my intentions with Dorl. I did not respond to the phone message.

HELITIMANT OF HECTERIORS CHOSE

On July 7, 2010 Detective Chris Kolcharno was driving past 430 Cayuga Street to check and see if there was any activity at the house and he saw Dorl Gallagher getting into her vehicle. At this time Detective Kolcharno approached her and asked her if she would be willing to come to the DA's office and talk to Detective's Lerl and Mancuso. She agreed to and came into the office. Our Intentions with Dori were to see if she had any additional information regarding the relationship with GODLEWSKI and Dori Gallagher stated she knew what was going on and did not believe any of the accusations against GODLEWSKI. Dori stated she is engaged to GODLEWSKI and believes he only thing Phil did wrong was falling for a younger girl, and that didn't make him a predator.

was re-interviewed On July 7, 2010, due to new information surfacing regarding this case, at the DA's Office. Consisent with the request made by GODLEWSKI, demanded investigators drop the case because she said she was just lying. Det, Manouso informed iust wanted to talk to her about a few things that had happened between her and NEZLO and GODLEWSKI. began crying and saying she just wanted to forget everything that happened.

sald she has not had contact with either NEZLO or GODLEWSKI since March. I explained to her I had access, through legal process, to see all phone records including texts and emails on GODLEWSKI through a throw away phone he keeps with him while at work. She stated to me he has been contacting her while he was at work. Recently stated he told her he was broken up with Dori and was living with his parents in Taylor. He told stated his detective left her business Dorl and was living with his parents in Taylor. He told card at his parent's house in Taylor. The both cards were left at the 430 Cayuga Street address. blurted out to this detective how much of a liar GODLEWSKI is, a relationship between her and GODLEWSKI began in approximately 2008 while he was at the Riverside School District as an employee of that school.

Throughout the forensic analysis of the cell phones and computers performed by Cpl Derek Fozard of the Pennsylvania State Police and Detective Justin Leri of the Lackawanna County DA's Office, thousands of text messages from GODLEWSKI to the viotim were retrieved. These texts messages contained conversations of sexual encounters, exchanges of gifts and a brand new vehicle for the victim. Such texts contained dialogue similar to these texts to follow:
